Annual ACEE Meeting on 03.07.2019

The meeting was called to order at 3:20pm at the All India Institute of Medical Sciences during the annual conference, EMINDIA2019.

Re-Structuring of the Organization

There was a need to create a more progressive structure in the INDUSEM-ACEE Initiative.

Various options were discussed in this regard.

It was decided that ACEE, which is a registered Society under the Act of 1860, would stay as a Society.

INDUSEM Research Foundation would become a separate entity.

A detailed presentation regarding the same was done by Mr. Madhusudhan Padhy, Hyderabad.

INDUSEM would be operated by a Board of Directors.

Detailed discussion regarding the pros and cons of the new model was held with clarifications and suggestions from Dr. Praveen Aggarwal, Dr. Sagar Galwankar, Dr. Sanjeev Bhoi, Dr. Ashish Bhalla, Dr. Shakuntala Murthy with Mr. Madhusudhan.

The resolution to convert ACEE from society model to new entity or to have another entity was passed with a full house vote.

Membership and Fellowship:

Focus on Increasing EMA Membership was stressed.

Raising the Number of Fellows via the various streams of Cardiology, Toxicology and Pediatrics was stressed.

VIGYAN Central

It was emphasized to members that they need to promote ViGyanCentral and upload their thesis to the site.

It was also informed that e-Education Portal will be launched in 2020.

EMINDIA 2020

It was decided to organise EMIndia2020 at Kerala with the support from the Govt. of Kerala and Govt. Medical College Trivandrum.

The tentative date for EMIndia2020 was decided as 6th to 9th August, 2020.

APAMT Congress

A proposal to conduct the next APAMT conference was put forward by Dr. Ashish Bhalla. The proposed location is Kerala. Tentative date is November, 2020.

The meeting was closed at 4pm.
